PERSONAL SESSIONS: October 15,16,17

Joey Korn has become a favorite dowsing teacher in North America, and recently in Denmark! because he expertly combines the qualities of being a good dowser as well as a speaker, author and more importantly: Teacher. From the moment he first saw a dowser dowse a well at his home, he was transfixed, learned how to dowse and his passion for this skill has remained constant.

One of the rare attributes among dowsers today is that he does not only teach traditional dowsing fundamentals. Joey is an originator. He keeps discovering, uncovering and researching so that the body of his work continues to develop. He has made several significant discoveries that have quickly spread throughout the dowsing community and changed dowsing everywhere.

Day 1: Saturday, October 18. 10.00 to 5.30

Using Dowsing & Blessing

 - Attract new beneficial energies to draw what you most desire into you life
 - Transmute harmful emanations of EMFs (electromagnetic fields around appliances) into beneficial energies to support you
 - Attract what you most desire into your life
 - Detect and work with our “two lights of the soul” to help resolve your key issues in life
- Joey will also share his “Kabbalah connection to dowsing.”

Day 2: Sunday, October 19. 10.00 to 5.30

Deviceless Dowsing and Working with the Universal Matrix

- Dowse with just your hands and arms
- Dowse detrimental energies with your vision & feelings, and change them to be beneficial
- Dowse the kabbalistic Tree of Life in the Bed Pattern and the Human Energy Pattern
- Work with these kabbalistic energies to bring healing and balance into your life and to others
- Detect and work with the Universal Matrix, matrices of energies around you that you imprint around your bed, rooms in your home, around your entire home
- Charge EMFs (electromagnetic fields) with specific energies to help you in your life

The Tree of Life and the Human Energy Pattern

Joey has found what he considers to be the human soul level of the Tree of Life in a pattern of energies around every human being, what he calls the Human Energy Pattern (HEP). The HEP is an array of seven mated pairs of lights or channels of energy. Each pair is associated with a different aspect of your life. Imbalances in your life, as a result of illness, trauma, or unresolved issues, manifest as imbalances in your HEP. We “hook up” to the energy centers in this pattern with what Joey call’s the “two lights of the soul.” Imbalances in your life can be brought into balance with prayer and blessing, thereby helping you to heal and resolve your key issues in life.

What is Kabbalah?

Kabbalah is an oral teaching that has been handed down from teacher to student for thousands of years. It represents the essence of Jewish mysticism and has been adapted into many spiritual traditions, including Christianity, the religions of the East, and many Mystery Schools. The Tree of Life is the central feature of Kabbalah. Legend tells us that before God created the universe, our Creator put the Tree of Life into place. It has become the pattern for all of Creation, especially for the human being.
