COURSE I: (MAY 21-22)

SPIRITUAL INITIATION THROUGH DOWSING & THE ROSICRUCIAN SCIENCE OF SPIRITUAL DISCERNMENT

This unique course will combine little-known principles of spiritual discernment from the Rosicrucian tradition, with practical mental and vibrational dowsing exercises which develop insight into invisible spiritual worlds. The practices not only develop new spiritual organs of perception inside of us, they also allow us to clearly differentiate the spiritual beings which influence our lives (including our health and illness issues.)

How Different types of Dowsing practices develop different human subtle and spiritual bodies
How to Dowsing for Spiritual Qualities and Beings using both Vibrational and Mental Dowsing methods
Common Mistakes in Identifying a person's Past Incarnations
What makes effective asking Spiritual Beings for help (and why it often doesn't work)
The Current Epidemic of "Occult Materialism" which corrupts spiritual teachings
True and False methods of "Ascension" (and the spiritual beings behind them)
"Broken Ground": recognizing dangerous gaps in spiritual teachings
Critical Differences between Nature Elementals, Human-generated Elemental Beings, and Angelic Hierarchies

COURSE II: (May 23-24)

HEALING THROUGH VIBRATIONAL DOWSING & RESONANCE: NEW METHODS FOR HUMAN BEINGS, BUILDINGS, & THE EARTH
The "Life Energy Spectrum": A Master Key to Holistic Healing

The Cutting edge of Detox Protocols for restoring health even in "terminal" cases (including both Medical and Holistic protocols)
Critical Differences between Electro-Magnetic and Life energies (including how some Electro-magnetic healing devices harm the human energy field)
Keys to Energy Balancing entire cities (with examples from completed projects in 6 U.S. cities plus European projects)
Dowsing methods to apply Light and Color within energy meridians & centers
Essential Principles and Methods for Healing the Earth
Using precise Minerals as "anchors" for vibrational information on the physical plane
The Critical Difference between Vibrational and Mental Dowsing (and how to combine them into a more powerful system)
Transmitting Holographic Vibrational Patterns with Light
